**We don't follow trends,
But we set the standard**

Our Story

Artiqon was founded with a bold vision: to lead differently.

Born from over 20 years of expertise in global sourcing and supply chain management.

Artiqon emerged to bridge the gap between purpose driven products and the businesses and consumers who value them.

What began as an entrepreneurial pursuit has evolved into a multi sector trading company delivering excellence across aviation hospitality solutions, coffee supply solutions, beauty experiences, and printing solutions.

We partner with well known manufacturers, specialized companies, farms, and corporates worldwide to offer our clients more than just products We deliver experiences, brands, and value with purpose.

Strategic Connector

Specialty Coffee **Selections**

Artiqon proudly offers a refined collection of specialty coffees, ethically sourced from high altitude farms in some of the world's most celebrated coffee growing regions including Ethiopia, Brazil, Colombia, Vietnam, India and Rwanda. Each origin tells its own story through distinctive flavor notes, captivating aromas, and rich heritage, shaped by climate, elevation, and generations of cultivation expertise.

What Sets Our Coffee Apart:

- ✓ Single origin and blend options for distinctive cup profiles.
- ✓ High altitude cultivation for richer flavors and balanced acidity.
- ✓ Direct trade relationships with local farmers and cooperatives.
- ✓ Roasted to order to preserve peak freshness and character.

Whether served in flight, in room, or in store, our coffee offers more than flavor, it delivers an experience. Elevate your offering with coffee that speaks for itself.

Green Coffee **Supply**

At Artiqon, we supply premium green coffee beans sourced directly from trusted producers and cooperatives who share our values of sustainability, transparency, and ethical trade.

Our green coffee offerings come with internationally recognized certifications that ensure environmental stewardship, social responsibility, and full traceability across the supply chain.

What Sets Our Coffee Apart:

- ✓ Certified origins: Rainforest Alliance, Fair Trade, Organic, UTZ.
- ✓ Farm to roaster traceability with detailed origin documentation.
- ✓ Support for smallholder farmers and regenerative agriculture practices.
- ✓ Diverse origins: Ethiopia, Rwanda, Brazil, Vietnam, and beyond.
- ✓ Flexible volumes for specialty roasters, importers, and private labels.

Whether you're a boutique roaster or a large scale buyer, our green coffee program ensures every bean is a step toward a more sustainable future without ever compromising on quality or consistency.

Flavor **Development**

We specialize in flavor development that captures the cultural richness and meets the taste expectations of the Gulf region. From authentic traditional profiles to innovative modern interpretations.

Our Expertise Covers:

- ✓ Popular flavor notes such as cardamom, saffron, rose, dates, and Arabic coffee.
- ✓ Customized blends for beverages, desserts, and hospitality amenities.
- ✓ Support for smallholder farmers and regenerative agriculture practices.
- ✓ Alignment with Halal standards and regional food regulations.
- ✓ Sensory testing with target market focus groups
- ✓ Seasonal and occasion based flavor innovation (e.g., Ramadan editions).

Strategic **Connector**

We act as a strategic connector between origin and brand, bridging the gap with purpose and integrity.

We responsibly source green coffee from renowned farms and cooperatives across Ethiopia, Vietnam, Brazil, Colombia, Guatemala, Kenya, Costa Rica, Honduras, India, Indonesia, Peru, and Rwanda. By paying fair prices and fostering direct trade partnerships, we support farming communities while ensuring sustainable sourcing practices that safeguard both quality and impact.

✦ Where Science Meets Self Care

Artiqon Trading provides flexible OEM (Original Equipment Manufacturer) and ODM (Original Design Manufacturer) solutions for businesses seeking customized products with precision and purpose. Whether launching a new line or expanding an existing portfolio, we bring your ideas to life with efficiency, compliance, and uncompromising quality.

Private Label Branding

✦ Your Brand, Beautifully Realized

Artiqon offers end to end private label solutions to help businesses create distinctive cosmetic products that stand out in today's competitive beauty market.

From concept to packaging, every detail is meticulously tailored to reflect each brand's personality and values. Whether launching a boutique label or expanding a global line, our team ensures that the products are not only market-ready but also perfectly aligned with your brand identity.

In addition to private label services, Artiqon proudly owns its own cosmetic brand, "Feliz", a premium lip balm line specially crafted for hot and dry climates. Feliz will be available both online and across leading beauty stores in the UAE, KSA, and Oman, offering customers a product that reflects our commitment to innovation, quality, and care.

Small Batch or Mass Production

Scalable Manufacturing, Aligned with Your Growth

At Artiqon, we provide flexible production capabilities from small batch runs ideal for product launches and niche markets, to large scale manufacturing for established brands and global distribution.

Whether testing a new formula or scaling to meet growing demand, we adapt to your business stage while ensuring consistent quality, efficiency, and compliance.

Printing & Packaging **Solutions**

Custom print services built for **Efficiency, Impact, and Sustainability**

✱ We deliver high-quality offset and digital printing services tailored to diverse business needs from everyday marketing materials to premium packaging for beauty, hospitality, and lifestyle brands.

Offset & Digital Printing

Marketing materials, brochures, catalogs, business cards, and presentation folders.

Custom Packaging & Labeling

Premium packaging for cosmetics, food, beverages, retail, and more from shopping bags to rigid boxes.
